^ Mean claim amount figures based on Allianz Partners 2018-2020 pet insurance claims data, and highest claim amount figures are based on Allianz Partners 2018-2020 claims data, for total claimed amount per condition per policy per policy period. Allianz Partners was previously the administrator and manager of the AA Pet Insurance. It's important to know that these costs are indicative only. Your own pet's treatment costs may vary from these figures depending on the severity and individual circumstances. AA Pet Insurance covers up to 80% of eligible vet expenses. Policy terms, exclusions (including pre-existing conditions), limits, sub-limits, annual condition limits apply. Waiting periods and excesses may also apply. See individual policy documents. Please note that the Dental Illness Sub limit is \$600. Please note that the Cruciate Ligament Conditions Sub Limit is \$3200.
